

mappel::make_DXS_stencil

```
graph LR; A[mappel::make_DXS_stencil] --> B[mappel::fill_DXS_stencil]; B --> C[mappel::square];
```

The diagram illustrates a three-step process flow. It begins with a gray rectangular box containing the text 'mappel::make_DXS_stencil'. A dark blue arrow points from this box to a white rectangular box containing 'mappel::fill_DXS_stencil'. A second dark blue arrow points from the second box to a third white rectangular box containing 'mappel::square'. All boxes have a black border.
