

mappel::fill_gaussian
_stencil

```
graph LR; A[mappel::fill_gaussian_stencil] --> B[mappel::gauss_norm]
```

A diagram showing a dependency between two code components. On the left, a gray rectangular box contains the text 'mappel::fill_gaussian_stencil'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'mappel::gauss_norm'. Both boxes have a black border.

mappel::gauss_norm
